

2023-2024 STO Application Dates

Information to Note:

- **ACSTO, IBE, SCA and TOPS only require one application per student, per school year—not per deadline.** If you miss an application deadline, you are not eligible to receive funds for the upcoming award time period, however, you can apply to receive funds for the next award time period.
- ALF awards funds once per year. If the application deadline is missed, you will not receive ALF for the upcoming school year.
- All attached links are clickable and will take you directly to the application site.
- When completing each application, you will be required to create an account/parent portal. Please make note of your login information for future use. (For most STOs, you will receive scholarship award updates throughout the year.)
- Some documentation may be needed to complete your application. Any supplemental forms needed for a given application is accessible within the application or on the respective scholarship website.
- If you need an award confirmation form completed by TBA, please email me at kaitlyn.traynor@tucsonbaptist.com.
